Dear Simon

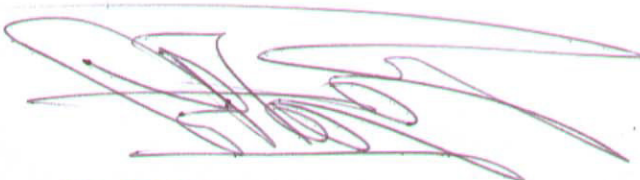

We have built up a valuable circle of team partners over the last five years and we very much appreciate the support and service that Reverie have given us.

As a gesture of our thanks and appreciation, and to commemorate the end of the Foggy PETRONAS Racing and PETRONAS FP1 projects, we hope you will enjoy the enclosed photo.

Currently, we are unsure as to what the future holds for Team Foggy Racing, but we are still in good negotiations with a number of potential sponsors and remain confident that we'll be back on the grid in 2007 and beyond.

If this can be achieved we look forward to the opportunity of possibly working with you again, but in the meantime thank you once more for your support of the project and wish you all the best for the future.

With kind regards

Carl Fogarty
